Each item was carefully designed and realized with the most amazing technologies using the very top quality materials. Everything is son of a long research. Mr Warren Knight, together with its team constantly develop new concepts but always with the same criteria: Badari Studio is a mix of contemporary designs which all have its own place in the history. We do respect the Styles. Olivier de Molina, one of our top Team has decades of experience on different Luxury fields which compliment The New York designer's quest of elegance and beauty. Our philosophy can be described as classic and timeless, adapted for the needs of the modern sophisticate living. A vast catalogue of objects, furnishings, lighting and art work, are all produced to the highest standards in our small workshops world wide, which follow the centuries old tradition of handcraft manufacturing.

LIGHTING

Badari Studio Lighting Collection represents a step into the Future from the Badari Classic Collection. This was achieved by keeping the famous Badari quality and mixing it up with different looks and materials. We re-visited designs from all periods and styles and gave them a fresh look thanks to different materials and finishes.
