La ditta BERTOZZI nasce nell'anno 1965 per opera dei fratelli Leonildo e Guido Bertozzi i quali sotto forma artigianale, iniziano la fabbricazione di alcuni tipo di quadri di legno, destinando la produzione al solo mercato interno.

Successivamente la produzione si modernizza e si estende a nuovi modelli, in particolare: specchiere, miniature, componenti vari per arredamento.

All'inizio degli anni '70 con la costruzione del nuovo stabilimento (circa 6000 mq.coperti) e cambiando forma societaria, inizia la vera fase ascendente che la porterà a distinguersi in Italia e all'estero.

Oggi la ditta BERTOZZI è fiera dei propri meriti. Organizzazione e dinamismo, consentono di soddisfare qualsiasi tipo di clientela in Italia ed all'estero.

The BERTOZZI firm was established in 1965 by two brothers Leonildo and Guido Bertozzi. Initially the wooden picture frames manufactured by craftsmen catered mostly to the home market.

Production became more up-dated and the range of products increased to include mirrors, miniatures and different furnishing components.

In the early 1970's the construction of the new 6000 square meters led to the second phase of the company which was to be renowned in Italy and abroad.

The BERTOZZI firm is proud of its own merits due to the care taken in the organisation and production enabling the company to satisfy and meet the need of all its clients world-wide.
