IL PEZZO MANCANTE

2020

Il Pezzo Mancante nasce nel 2010,
creato da Cosimo Terzani e Barbara Bertocci.
Spinti dall'amore per la materia e dalla profonda passione
per la propria terra, la Toscana, creano un mondo
fatto di concretezza e visionarietà
nel quale riscoprire una cultura artigiana del fare
straordinariamente ricca.

Un mondo di esaltazione della bellezza del
pezzo fatto a mano; pezzi d'arte da sfiorare con le dita,
per sentirne il calore e la "familiarità".

Il legno massello, le fusioni di ottone,
il cristallo soffiato, il marmo delle cave di Carrara
non sono solo icone del passato
ma simboli di un'intelligenza ed eleganza senza tempo
che la modernità ha bisogno di recuperare.

Il Pezzo Mancante é un mondo di memoria,
materia, tatto, esaltazione dei sensi, eleganza,
passione, dove concedersi il lusso di guardare,
pensare, fare e andare alla ricerca di
qualcosa che mancava: Il Pezzo Mancante.

Il Pezzo Mancante was born in 2010,
created by Cosimo Terzani and Barbara Bertocci.
Inspired from their passion for quality raw materials and
an innate love for their homeland, Tuscany,
they create a world made of authenticity and vision
in which you can rediscover an extraordinary rich artisan culture.

It's a world that celebrates the beauty
of handcrafted pieces; tangible works of art
designed to express warmth and "familiar feel".

The solid wood, the brass castings,
the hand-blown crystal, the marble sourced from
the finest Carrara quarries, are not just icons from the past
but symbols of timeless intelligence
and elegance rediscovered in modern life.

Il Pezzo Mancante is an atelier that designs and creates
unique pieces, a world of memory, material, touch,
illuminating the senses. Thoughtful elegance and passion;
a place where you can watch, think, do and look for something
missing: Il Pezzo Mancante ("The Missing Piece" in english).

IL PEZZO **1**

*A multiethnic
composite of
discipline and freedom*

An alternation of rounded shapes and geometrical lines, reassuming discipline and freedom, a composite, multiethnic plan in which each component and each material contributes to the harmonious balance of the piece.

IL PEZZO 2

*Inspiring familiar
sensations, it gives its
own reading of time*

Classic, flowing and gentle contours, old pieces inspiring familiar and comforting sensations, giving their own reading of time. The shape of the structure allows the solid walnut to amaze by showing off its colours and grain.

IL PEZZO 3

*Led technology
and emotional sense
of light*

Inspired by arabic calligraphic art and icon of the classical candelabrum is Il Pezzo 3, a collection of lamps with hand blown crystal candles illuminated by ultra-modern LED source creating a sophisticated and romantic light.

IL PEZZO **4**
*Architectural elements,
regal and welcoming*

An alternation of carvings and wood, cabinets as if they were architectural elements, regal and welcoming, designed to create any kind of composition, enriching the wall.

IL PEZZO **5**

*Massive and delicate,
it preserves secrets
and exhibits treasures*

The delicate pattern of carvings, the precious grain of wood and the brightness of castings give rhythm to wall the pieces are on, creating sophisticated solutions, for preserving and exhibiting.

IL PEZZO **6**

*What seems to be
a casually arranged composite
of glittering elements*

A solid block of walnut held up by what seems to be a casually arranged group of glittering legs.
A composite of contrasting elements, massive and sophisticated, strong and passionate, creating an harmonious and timeless whole.

IL PEZZO 

*Sinuous folds,
metal details
and elegant structure*

Sinuous folds surround
the elegant structure, upholstered in leather
with solid walnut legs and metal details
like shimmering lights.

IL PEZZO 8

*A sparkling forest,
romantic and sinuous*

A sparkling forest of legs support a majestic block of wood with lively outlines or a precious top in Marquinia marble. Il Pezzo 8 is a collection of colours, shapes and materials you can loose yourself in.

IL PEZZO **9**

*A character from the
turn of the 20th century*

A concentrate of accuracy
and luxurious elegance,
Il Pezzo 9 is a character from the
turn of the 20th century,
lost in the sparkle of a night of parties
only to find its impenetrable integrity
the following morning.

IL PEZZO 9 TABLE

IL PEZZO **10**

*A medieval Florentine palace
over an imaginary Arno river*

Rigid, strong and impenetrable, like a medieval Florentine palace it seems to be suspended and floating over an imaginary Arno river. Il Pezzo 10 shows off its embossed wood giving it a medieval taste, the wood shows infinite shades and colors; it invites us to stroke these rounded surfaces, finely smoothed and ripe with the smell of essential oils, giving a real celebration of senses.

IL PEZZO **12**

*A female figure
carrying in her womb the light*

Il Pezzo 12 is a female figure suspended in the air, carrying in her womb the light. It's nimble, refined, addictive. The solid crystal, illuminated by two LEDs, creates suggestive refractions and it's suspended between brass stems. At the end of each stem, another LED spreads a direct light.
